### **Class X International Seminar Advice to Class XI**

- Pack lighter and don't plan immediate business trip after returning. Sit with someone different on the bus everyday.
- Have a great time, learn a lot, take it all in and be easy going. Be ready to enjoy it. Bring comfortable shoes.
- Go in with an open mind.
- Be ready to learn.
- Bring tennis shoes.
- Keep a good attitude.
- Keep checking in with all of your classmates and how they feel so you can help them if they need it.
- Pack lightly.
- Make the best of it, you will miss your classmates after it is over.
- Expect nothing, but definitely appreciate everything.
- Pack well and be ready for an exceptional, once-in-a-lifetime, life-changing experience.
- Pack food.
- Always have a positive attitude.
- Be prepared and pay attention to the advice given by those you meet, but then embrace the experience with an open mind. Take it in, because it really is a once-in-a-lifetime experience.
- Expect nothing, appreciate everything.
- Pack as little as possible, but bring a foldable duffel as a second bag for souvenirs and gifts. Read and research anything that is making you nervous. Try as hard as possible to leave the worries of home behind and fully engage. The people on the dance floor have much more fun than those who stand and watch.
- Take notes. The trip goes by so fast that it's hard to remember everything we've done.
- Get to know the people and spend time after-hours with the group.
- Expect nothing, appreciate everything.
- Pack less. You will be able to wash things (somehow) 15+ undies are unnecessary.
